# **CENSUS OF CENTRAL GOVERNMENT EMPLOYEES**

**(AS ON 31<sup>st</sup> March, 2006)**

## **INTRODUCTION**

1.1 The Government of India, Ministry of Labour and Employment, Directorate General of Employment & Training has been conducting, since 1960, the “Census of Central Government Employees” with 31<sup>st</sup> March as its reference date. The present report, which is thirty-first in the series, covered Central Government employment as on 31<sup>st</sup> March, 2006. The main purpose of the Census was to provide employment details on aspects such as pay-ranges of employees, sex-structure, status, tenure of service, group of posts (Gazetted/non-gazetted), location by States and class of cities, etc.

## **SCOPE, COVERAGE, CONCEPTS & DEFINITIONS**

1.2 The Census covered all employees holding civilian posts under Central Government establishments which existed as on the 31<sup>st</sup> of March, 2006 and whose pay & allowances, honoraria or any other remuneration were paid out of the Consolidated Fund of India. The return prescribed and used for collection of Census data is at Annexure 1.1. Scope coverage, concepts and definitions adopted for conducting the Census Enquiries are given in Annexure 1.2.

## **METHODOLOGY, LIMITATIONS AND ESTIMATION OF NON-RESPONSE**

1.3 The basic data under the Census was collected from all Central Government establishments borne on the “Employer’s Register” maintained at Employment Exchanges through their net-work spreading all over the country. However, Census returns duly filled-in by employers have been received only from 5746 establishments out of total 7352 establishments. The response, thus, came up around 78%.

1.4 Data from secondary sources such as Annual Reports of the respective Ministries/Departments, information on Central Government employees compiled and maintained by Department of Personnel & Training and Pay Research Unit, M/o Finance have also been utilized to arrive at the total number of the Central Government employees.

1.5 Keeping the above facts into consideration, total number of Central Government employees worked out to be 31.16 lakh during the period under report and the same has been incorporated in various Tables in this publication. However, the distribution of employees shown category-wise in the Table numbers 3, 4, 6 & 7 and Annexures 2.3 3.1, 3.2, 3.3 and 3.4 have been estimated on the basis of proportions arrived by using information received from the establishments. Further, the data presented in Table number 8 and 9 on location / State-wise employment is based on either data of Employer's Register at the Employment Exchanges under Employment Market Information (EMI) Programme or on the basis of proportions observed in the previous Census.

### **EMPLOYMENT UNDER CENTRAL GOVERNMENT**

2.1 The total number of regular civilian employees under Central Government establishments as on 31st March, 2006 was 31.16 lakh. The Table-1 shows overall comparative change noticed in the level of Central Government employment (regular) as on 31<sup>st</sup> of March, 2004 and 2006.

**Table – 1**

**CENTRAL GOVERNMENT EMPLOYMENT  
(2004 & 2006)**

**(In lakh)**

Category of employees	Number of employees as on 31 <sup>st</sup> March		Increase/Decrease (+) (-)	
	2004	2006	Absolute	Percentage
1	2	3	4	5
Regular	31.64	31.16	-0.48	-1.52
<b>TOTAL</b>	<b>31.64</b>	<b>31.16</b>	<b>-0.48</b>	<b>-1.52</b>

The total employment under Central Government as on 31<sup>st</sup> March, 2006 as per Census has gone down by 0.48 lakh over 31<sup>st</sup> March, 2004. This decrease may be attributed to various recruitment policies of the Government. Right sizing /down sizing policy has been a major contributory factor for this declining trend.

**EMPLOYMENT UNDER VARIOUS MINISTRIES**

2.2 The distribution of regular employees in major Ministries is given in Table-2:

**Table-2**

**REGULAR CENTRAL GOVERNMENT EMPLOYMENT IN MAJOR  
MINISTRIES AS ON 31<sup>ST</sup> MARCH, 2006**

<b>Sl. No.</b>	<b>Ministry</b>	<b>Number of regular employees</b>	<b>% age to the total</b>

6.	Others	304029	9.76
<b>TOTAL</b>		<b>3116337</b>	<b>100.00</b>

The Ministry of Railways has a major share (45.32%) of the total regular Central Government employees followed by Ministries of Home Affairs (22.20%), Defence (civilian) (11.35%), Communications & IT (7.75%) and Finance (3.62%). These five Ministries taken together accounted for 90% of the total Central Government employment. The residual employment (about 10%) was shared by all the remaining Ministries/Departments of the Central Government.

**WOMEN EMPLOYMENT UNDER CENTRAL GOVERNMENT**

2.3 Women employment under Central Government has been estimated to the tune of 3.20 lakh, which is 10.28 per cent of the total regular Central Government employment. Women employees together with their proportion in the total estimated women employment in the major employing Ministries for the year 2006 is shown in Table-3:

**Table – 3**

4.	Others	149986	13.53
<b>TOTAL</b>		<b>320335</b>	<b>10.28</b>

It may be observed from Table-3 that participation of women was highest in Ministry of Communications & IT(13.48%) whereas participation of women in Ministry of Railways is quite low (7.11%) as compared to overall women participation in Central Government employment. Ministry of Defence (civilian) has fair share of women employment i.e. 10.56%. The participation of women shared by rest of the Ministries/Departments was of the order of 13.53%.

**STATUS OF CENTRAL GOVERNMENT EMPLOYEES**

2.4 88.37% of the regular Central Government employees were permanent whereas 11.63% were temporary. The break-up of Gazetted and Non-Gazetted regular employees classified by their status in service is given in Table-4.

Ministry-wise break-up of employees according to their status by post (Gazetted & Non-Gazetted) can be seen in Annexure 2.1.

2.5 Further, analysis of data visualized that amongst regular Central Government employees, over-all share of “Gazetted Employees” was to the tune of 4.34%. In the case of Non-Gazetted employees their share in total employment was of the order of 95.66%, a maximum comprising a fraction of temporary employees (12%).

2.6 The ratio of Gazetted to Non-Gazetted employees was as high as 1:116 in the establishments under Ministry of Railways. The overall ratio, however, works out to 1:22. Ministry-wise details are given in Table-5.

### **CLASSIFICATION OF EMPLOYEES BY GROUP OF POSTS HELD**

2.7 The data collected from the employing establishments through the Census Enquiry of 2006 indicate the proportions in Central Government employees by Group of posts i.e. Group A, B, C & D as presented in Table-6.

**Table-6**

**REGULAR CENTRAL GOVERNMENT EMPLOYEES CLASSIFIED BY  
GROUP OF POSTS HELD**

Group of posts	As on 31 <sup>st</sup> March, 2006	
	No. of employees	% age to total
A	91914	2.95
B	269087	8.63
C	1801128	57.80
D	954208	30.62
<b>TOTAL</b>	<b>3116337</b>	<b>100.00</b>

Note: Figures may not tally with total Gazetted employees as all the Group-B employees shown may not be Gazetted.

The data in Table-6 reveals that bulk of Central Government employees held either Group 'C' or Group 'D' posts with their share being 57.80% and 30.62% respectively. As against this, Group 'A' & 'B' posts (inclusive of the Non-Gazetted in group 'B') had meagre share of 2.95% and 8.63% respectively.

**CLASSIFICATION OF EMPLOYEES BY PAY-RANGES**

2.8 The concept of pay structure used under the Census Enquiries refers to the basic pay and hence, may be interpreted to exclude other allowances or special pay etc. that are also admissible to Central Government employees. The strength of employees in various pay-ranges have been shown in Table-7.

**Table – 7**

**ESTIMATED DISTRIBUTION OF REGULAR CENTRAL GOVERNMENT  
EMPLOYEES ACCORDING TO VARIOUS PAY-RANGES**

18400 & above	14738	0.47
<b>Total</b>	<b>3116337</b>	<b>100.00</b>

The above Table reveals that the maximum proportion of employees were found to be in the pay range of Rs. 3500-4499 (21.13%) followed by pay ranges of below Rs.3049, Rs.3050-3499 (15.63%) and Rs.4500-5499 (15.03%). The minimum number of employees were in the pay range of Rs. 18400 & above. Overall 90% of the total Central Government employees i.e. Group B, C & D share major chunk of pay below Rs.7999. The distribution of employees by various pay-ranges in major Ministries/Departments is given in Annexure - 2.3.

**DISPERSAL OF EMPLOYEES IN CLASSIFIED CITIES**

2.9 Central Government establishments under the Census Enquiries furnished details of their staff actually working in each of the A-1, A, B-1, B-2 and C class cities. In case of those establishments, which did not furnish details about their staff strength for each class of cities, the entire staff has been considered to be working in the same city where the reporting establishment is located. Keeping this in view, the location of regular Central Government employees in different class of cities viz., class-A-1, A, B- 1, B-2 and other class cities has been presented in Table-8.

**Table -8****LOCATION-WISE DISPERSAL OF EMPLOYEES IN DIFFERENT CLASS OF CITIES**

Maximum (6.61%) were reported to have been posted in the National Capital Territory of Delhi followed by Greater Mumbai (3.27%), Kolkata (3.93%) and Chennai (1.85%). 4.61% of the employees were reported to have been working in B-1 class cities and 15.31% in B-2 class cities. 53.32% of the employees were reported to be working in class 'C' and other unclassified cities.

## **STATE-WISE DISPERSION OF CENTRAL GOVERNMENT EMPLOYEES**

2.11 The State-wise dispersion of Central Government employees has been shown in the Table-9. The data presented in this Table have the following limitations:-

Firstly, the Census returns are usually collected directly from the employing establishments. The jurisdiction of these establishments is considered as the basis. However, in the case of some major Ministries/Departments their jurisdiction posed certain administrative difficulties. For example, some reporting establishments which actually render data/information in the prescribed Census forms under the Ministry of Railways, Ministry of Communications & IT cut-across the State boundaries. The data collected from these establishments in fact is not necessarily belonging to the areas where these establishments are located but in many cases, the Central Government employees employed by such establishments as per their work distribution belonging to other State locations also. Hence, the results obtained and presented in this report, particularly in the Table-9, may have to be viewed liberally. However, attempts have been made to bifurcate approximately to the extent possible.

Secondly, some establishments which employed sizeable number of employees deployed their personnel on need basis to other States and their employees constantly keep moving from one location to other. As such, the mobile personnel (Civilian Para Military Forces) engaged by Central Organizations such as Central Reserve Police Force (CRPF), Border Security Force (BSF), Central Industrial Security Force (CISF), Indo-Tibetan Border Force (ITBF) & Assam Rifles etc., have been shown in the Census data in Table-9 separately and are not classified at the State level.

### **CERTAIN OTHER FEATURES OF REGULAR CENTRAL GOVERNMENT EMPLOYMENT**

3.3 In the past three decades, certain important features of regular employees have been noticed through trend emerging out of the data collected from the Census Enquiries. These relate to the analysis of employees by sex, status and tenure of posts, which were held by Central Government employees. The data in the Table-12 presents the summary results:

3.4 It is interesting to note that the proportion of women employees has been steadily increasing during the years under review. Their proportion in the total Central Government employment improved from 2.51% in 1971 to 10.28% in 2006. It is also seen that Central Government employees in larger proportion are now holding permanent status in the Government. The ratio of Gazetted to Non-Gazetted officers, which was as high as 1:49 in 1971, came down to 1:22 in 2006.
