

A NOTE ON NATIONAL COUNCIL FOR VOCATIONAL TRAINING

Name of the Tripartite Committee/Board: **National Council for Vocational Training (NCVT)**

Date of constitution of the committee: **22nd May 1956, Last reconstituted for a period of three years from November 2010 November 2013 .**

Resolution

In pursuance of the recommendation of the All India Council for Technical Education, the Government of India in the Ministry of Labour Resolution No. RTA-428(5)/dated the 22nd May, 1951, appointed a committee called the National Trade Certification Investigation Committee with instructions to prepare a scheme for the establishment of an All India Trades Board which would award certificates of proficiency to craftsmen in the various engineering and building trades. The report of this committee as also the recommendation of the Training and Employment Services Organisation Committee (known as the Shiva Rao Committee) have been considered by the Government of India. The Government agreed with both the committees that there is need for setting up a central agency for co-ordinating the training programmes in the country bringing about uniformity of standards and awarding certificates of proficiency in craftsmanship on an All India basis. Such a step is in the interest of both the industry and the workers in as much as it ensures that the holders of National Certificates possess a minimum recognised degree of skill. In addition, it facilitates mobility of tradesmen and their employment.

The Government of India have also decided to transfer the administration of the training organisation under the Directorate General of Resettlement and Employment to the control of the State Government concerned, retaining for themselves the functions of co-ordinating craftsmen training and laying down the training policy. This decision has further accentuated the need for central agency for assisting or advising the Central Government in the discharge of their responsibilities regarding Craftsmen Training. It has accordingly been decided, in consultation with the State governments and other concerned parties, to set up a National Council for Vocational Training. Accordingly with a view to ensure and maintain uniformity in the standards of training all over the country, the National Council for Vocational Training, an advisory body, was set up by the

Government of India in the year 1956. The Council has been entrusted with the responsibilities of prescribing standards and curricula for Craftsmen Training, advising the Government of India on the overall policy and programmes, conducting All India Trade Tests and awarding National Trade Certificates. The National Council is chaired by the Minister of Labour, with members representing Central and State Government departments, employers' and workers' organisations, professional and learned bodies, All India Council for Technical Education, scheduled castes and scheduled tribes, All India Women's Organisation, etc. The State Council for Vocational Training at the State level and the Trade Committees have been established to assist the National Council.

Method for discharging functions:

- Meeting of NCVT is conducted once in a year to discuss various issues on vocational training. Recommendations made during the meeting are accepted by Govt. of India for implementation.
- Meeting of Sub-committee of NCVT dealing with affiliation is conducted three to four times in a year to deal with affiliation and other issues of Craftsmen Training.
- Approval /comments from members of NCVT on syllabi & other urgent issues are sought through circulation of documents before implementation .

OBJECTIVE : The Council shall function as a central agency to advise the Government of India in framing the training policy and co-ordinating vocational training throughout India.

FUNCTIONS : The functions of the council shall be to

1. Establish and award National Trade Certificates in engineering, building, textile and leather trades and such other trades as may be brought within its scope by the Government of India;
2. Prescribe standards in respect of syllabi, equipment, and scale of accommodation, duration of courses and methods of training;
3. Arrange trade tests in various trade courses and lay down standards of proficiency required for a pass in the examination leading to the award of National Trade Certificate;
4. Arrange for ad-hoc or periodical inspections of training institutions in the country to ensure that the standards prescribed by the council are being followed;
5. recognise training institutions run by government or by private agencies for purposes of the grant of National Trade Certificates and lay down conditions for such recognition;
6. co-opt, if necessary, any person or persons to advise the council in connection with its work;

7. prescribe qualification for the technical staff of training institutions;
8. prescribe the standards and conditions of eligibility for the award of National Trade Certificates;
9. generally control the conditions for the award of National Trade Certificates;
10. recommend the provision of additional training facilities wherever necessary and render such assistance in the setting up of additional training institutions or in the organisation of additional training programmes as may be possible;
11. advise the Central government regarding distribution to State governments of the contribution of the Government of India towards expenditure on the Craftsmen Training Scheme;
12. perform such other function as may be entrusted to it by the Government of India;
13. perform such functions as are assigned by or under the Apprentices Act, 1961.

List of NCVT Members for a period of three years w.e.f. 4.11.2010
